

WHY MCINTOSH?

At McIntosh Farm Machinery, we take pride in delivering robust, high-quality equipment designed to withstand the toughest farming conditions for New Zealand farmers.

75+ Years of Expertise

A family owned and operated business with decades of experience in designing and manufacturing innovative farming solutions.

Unmatched Durability

Built with premium materials and precision engineering to ensure long-lasting performance in New Zealand's harsh conditions.

Tailored Solutions

Customisable machinery designed to meet your farm's specific needs, maximising efficiency and performance.

Reliable Support

Backed by dedicated after-sales service and expert advice to keep your equipment running smoothly.

We stand behind every machine we build. All McIntosh products are backed by a 2-year manufacturer's warranty against defects in materials or workmanship, provided the machine has been serviced and has not been subject to misuse or operated outside its intended specifications. These terms are subject to change without notice. Full warranty terms are available by scanning the QR code.

MCINTOSH

TIP TRAILER

4.5 - 20 TONNE

McIntosh Tip Trailers are built tough and stable, handling heavy loads in challenging conditions with ease.

With exceptional tonnage ratings and rugged construction, our tip trailers are **built to last**. The high tipping angle and versatile configurations make them indispensable for farms and contractors. McIntosh chassis are strong and adaptable, built to handle gravel, dirt, baleage, and other materials. Optional extras allow you to customise each trailer to suit your specific needs.

STANDARD FEATURES

Strong flexible hinge system on fold down sides

Fully welded side's and floor

Optional swinging tailgate has an easy forward-facing hook, no pin system

Strong sides for rock and digger impact
