

WHY MCINTOSH?

At McIntosh Farm Machinery, we take pride in delivering robust, high-quality equipment designed to withstand the toughest farming conditions for New Zealand farmers.

75+ Years of Expertise

A family owned and operated business with decades of experience in designing and manufacturing innovative farming solutions.

Unmatched Durability

Built with premium materials and precision engineering to ensure long-lasting performance in New Zealand's harsh conditions.

Tailored Solutions

Customisable machinery designed to meet your farm's specific needs, maximising efficiency and performance.

Reliable Support

Backed by dedicated after-sales service and expert advice to keep your equipment running smoothly.

TITAN MAX

McIntosh Titan Max – The Heavy-Duty Standard for Silage Wagons - The Titan Max is built for farmers who demand maximum strength, reliability, and efficiency from their gear. Designed to handle multiple heavy loads day after day, it’s one of the strongest wagons available in New Zealand made to perform in the toughest conditions without compromise.

With 16mm floor and elevator chains (32-tonne breaking strain), a 5mm corten steel floor, and heavy-duty side construction, the Titan Max delivers unmatched durability. Smart design features like the greasepressurised rear chain adjusting system and remote greasing points make daily operation safer and easier—keeping you out from under the machine and out on the job.

Whether you’re running large herds or working as a contractor, the Titan Max helps you do more with less downtime. Available in a 1400, 1500, 1700, 1900.

STANDARD FEATURES

Auto floor chain tensioner (optional)

Vertical elevator

40-1 German reduction gearbox

Pivoting cross conveyor with tracking strip (optional)

OPTIONAL EXTRAS

- ☐ 4 floor/elevator chains option for 1400 and 1500
- ☐ Heavy-duty axle with 80mm pins
- ☐ Load cells (standard, remote screen, or Bluetooth ready)
- ☐ Roller chain cross conveyor
- ☐ Wheel Brakes
- ☐ Tyre Options
- ☐ Electric floor control
- ☐ Skid
- ☐ Orange beacon
- ☐ Extra internal wear plates
- ☐ Corten steel tapered pockets
